

**Disc harrow L-120
(Heavy-duty garden disk harrow BDST-2.5)**

Heavy-duty garden disc harrow BDST-2,5 is intended for deep cultivation of soil and elimination of weeds in the gardens. The harrow is suitable for 80-90 hp tractors. During operation the harrow is used as a trailed implement and for travelling position the harrow is readjusted and mounted on a tractor. In addition to cultivation of interspacing in a garden the harrow may be used for cultivation of the fields.
